

THE VICTORIAN RENAULT

NOVEMBER 2009 NEWSLETTER

The December General meeting will allow members to vote on the acceptance or otherwise of our recently prepared Members Code of Conduct. The Code of Conduct is available for viewing on the RCCV website (www.renaultnet.org) or by calling our club President on 0437 380 388. Copies will also be available at the meeting.

A Code of Conduct is important to set some guidelines and expectations on member behavior. Whilst we haven't had any incidence in recent history it is important that the RCCV sets some standards and provides leadership and professionalism to our members.

Feel free to call me should you have any queries.

November General Meeting – Tuesday 17th November 7.30PM

Glen Iris Citizen's Hall
Eric Raven Reserve

Car of the month- Renault Koleos

At our October general meeting on the 20th our guest speaker will be a member of the Victorian Police Force from the Major Crash Investigation Unit (MCIU) As our speakers are on call the presentation will be at the beginning of the night and we will need to start at 7.30pm sharp. Please note that as the members are on call there is a possibility that they may be called away during the talk or may even be called out before the meeting. If this does happen please be understanding.

This event will be a fund raiser for the Blue Ribbon Foundation. The Victoria Police Blue Ribbon Foundation was established to perpetuate the memory of members of the Victoria Police killed in the line of duty. This is achieved through fundraising with money going to specialised medical facilities in Victoria Public Hospitals.

Please bring some loose change to help support this worthy cause.

Every one is welcome and feel free to bring visitors with you.

Hope to see you all there.
